Other players are Carolyn Enis, Kansas City; Kenneth Price, Plattsmouth, Neb.; and Dan McLaughlin, East Moline, Ill.; Dr. Ralph Fulsom, director of the play, and Mike Mutz, seventh grader at Horace Mann Laboratory School and son of Mr. and Mrs. Austin Mutz, Maryville, will also be in the production.

Members of the production crew include Kerry Lafferty, instructor in the dramatics department, technical director; Lorraine Faubion, Stanberry; Gene Probasco, Newton, Ia.; Eddielea Roe, Kirkwood, Mo.; Jeff Falter, Falls City, Neb.; Doris Wilson, Nettleton, Mo.; David Shestak, Council Bluffs, Ia.; and James Standfield, Elwood, Kas.

The kitchen is complete with running water, ice box and stove.

Proceeds from all Alpha Psi productions are given to a speech and scholarship fund at MSC. Tickets may be purchased at the door for adults, \$1, or for students, fifty cents.

## Dalton to Speak at Commencement; Last Exercises for President Jones

PRESIDENT J. W. JONES

On June 2, 318 graduating seniors will receive their diplomas from Dr. J. W. Jones at commencement exercises in Lamkin Gymnasium. Missouri's governor John Dalton will deliver the commencement address.

This will be President Jones' final commencement as president since he will retire June 30. It will mark the final act in his career of educational service which began after his graduation from high school in 1912.

Dr. Jones was a 1912 graduate of high school in Gibson City, Ill., immediately after graduating he began teaching in a rural school at Proctor, Ill. During the summers of 1913-16 he attended Illinois State Normal School in Normal, Ill. In 1917 the young school teacher married Miss Mildred Winfield.

With the advent of World War I, Dr. Jones entered the U. S. Navy and was commissioned an ensign. After the war he accepted the position of principal of the Strawn, Ill., schools. For four years, between 1924 and 1927, he was a tutor in education at Indiana University and, for the last two years, was also secretary to the director of the summer session. Dr. Jones received his three academic degrees from the University of Indiana in quick succession; BA in 1925, MA in 1926, and PhD in 1929.

Between 1927 and 1938, Dr. Jones held various positions at Indiana State Teachers College. He was executive officer of the graduate school, director of the division of research, associate professor of education, dean of the faculty, and professor of education. In 1938 he became dean of the faculty of MSC.

On Dec. 1, 1945, the MSC Board of Regents elected Dr. Jones to the presidency of MSC to succeed Uel W. Lamkin. In 1958 he was the recipient of the third annual Chamber of Commerce Community Service Award. And in 1964, having reached the mandatory retirement age, Dr. Jones retires from the presidency of MSC and takes the position of President Emeritus.

## A Complete Career

**O**N JUNE 30, President J. W. JONES WILL TERMINATE 52 years of active service to education. On that day he will move from his office in the Administration Building to his new quarters in Wells Library where he will assume his new role as President Emeritus.

Upon his retirement, President Jones will have spent 25 of these years on the MSC campus. For the past 18 years and seven months, he has been chief administrator.

During the years of his administration, MSC has seen its enrollment increase by 300 per cent. He has well earned the title, "The Builder," which was bestowed upon him in the Tower of 1964. In his 18 years as president, the campus has enlarged from 12 buildings to 30. Two more building programs are in progress.

**Y**ET PRESIDENT JONES' ACCOMPLISHMENTS HAVE not been entirely centered around campus improvements. The expansion of the faculty to meet the increasing enrollment, the development of the Field Service Extension, the creation of the Union Board, the Revision of the Constitution of the Student Government Association, the addition of graduate programs, and the development of the annual Homecoming into an enjoyable event for the campus and the community were all programs of President Jones.

Fair play, honesty, and attention to detail are attributes which have won for Dr. Jones a wide measure of respect, not only on the campus but also in the state legislature, the community, and in educational circles throughout the Mid-West.

**P**RESIDENT JONES HAS BEEN A CAREFUL and critical reader of the Northwest Missourian, assuring its staffs throughout the years that all of their work, both good and bad, received the attention of the Man at the Top. While we have not always agreed with President Jones, nor he with us, we, and the editors who have preceded us, have effected a mutual respect with the President.

Dr. Jones takes personal pride with the accomplishments of his students here on campus and with those of MSC graduates. He is an active president, one who attends every student and faculty program, recital, lecture, assembly, and sporting event.

As president of MSC, Dr. J. W. Jones has set a standard of achievement and responsibility, by which his predecessors can be judged and toward which his successors should strive.

## CINEMA

by Bob Johnson

The Virgin Spring, which will play Wednesday and Thursday at the Tivoli theatre, is one tremendous show.

Made in Sweden by Ingemar Bergman, it is a tour de force of one of the giants of modern cinema. In The Virgin Spring as well as in The Seventh Seal, Wild Strawberries, The Devil's Eye, and his other works, Bergman has demonstrated his immense talent as a director and as a writer. He is no novel-adapting Hollywood director, but an artist emptying, through his motion pictures, to express ideas and feelings.

To be sure, The Virgin Spring is not the most easily understood movie. Its meaning and significance lie below the symbolic structure of the plot. And for this reason the movie is not readily accepted by most John Wayne-oriented moviegoers. But for the serious viewer, for the person who would like to be more than entertained by a movie, The Virgin Spring is a solid, meaningful work.

Too often, I think, Americans have associated motion pictures solely with entertainment. This association has been fostered by the Hollywood dictum that movies must be light and entertaining. Rarely does one find an American film that is a serious artistic work. David and Lisa was one. Lilies of the Field another.

er. But beyond these few isolated examples, there lies a vast wasteland of celluloid.

In Europe, or at least in the movies imported from Europe to the United States, one can find an abundance of such well-conceived, well-executed movies. Admittedly, many of these films are seemingly obscure, especially to the uninitiated viewer. But if one comes to the theatre ready to be challenged, ready to think, ready to give the movie a chance to speak its peace, he cannot fail to have a measure of respect for the motion picture. This is true of The Virgin Spring.

## Bearcats Split in Two Contests With William Jewell Saturday

The Northwest State College baseball team split a double-header with William Jewell at St. Joseph, to finish the season with a 15-7 record.

The Bearcats lost the first contest 10-1 as the Cardinals pounded Maryville's Ron Brumley for seven runs, five of them earned, in the first 1 2/3 innings.

This was his first loss against seven wins. Brumley had also pitched Thursday and apparently was tired. Dick Nixon, William Jewell's hurler, allowed the Bearcats only three hits.

MSC's only tally was scored by Ed Schultz in the seventh. He walked, went to third on a single by Bob Albanese, and scored on a single by Steve Croley.

Six different Cardinals collected two hits in the 13 hit attack. Each team committed one error.

Maryville scored six runs in the third inning in the second game as they defeated William Jewell, 6-2.

Benny Cain, winning pitcher, started the rally with a single. This hit was followed by hits by Jerry Albin, Bob Crawford, Jim Jackson, Bernie Ricono and Albanese. Both of Jewell's runs came in the seventh inning.

Cain gave up three hits and did not lose issue on balls as he struckout four. Jim Ibach was the losing pitcher.

## 'Cats Take Pair From Wesleyan

The Northwest State College baseball squad gave up only four hits per game as the Bearcats defeated Nebraska Wesleyan, 4-2 and 7-0, in a double header at Lincoln, Neb., Thursday.

Ron Brumley picked up the win in the first contest as he allowed four hits in 7 2/3 innings. He was relieved in the eighth

inning with two out and two on by Jim Jackson who struck-out the last batter to end the contest.

Maryville scored one run in both the second and fifth innings and Nebraska Wesleyan tallied in the fifth and sixth innings. The Bearcats scored two runs in the eighth after a single by Bob Shaw and a double by Ed Maxwell put men on second and third.

Bob Albanese was walked to fill the bases and the leading two runners scored on an error by the shortstop on an infield hit by Ron Harris. Maxwell was three for four and Jerry Albin had two hits.

Four singles in the first inning of the second game gave Maryville a 4-0 lead. They scored two more in the second and one more in the fourth while holding the host team scoreless.

Steve Croley went all the way for the victory and a 3-1 record. Albin, Bob Crawford, Jackson, Maxwell and Croley each collected two hits during the game. Maxwell had two extra base hits for the day, and Jackson hit one.
